

Additional Website Advertising (Please fill out and return with your membership)

Over and above the web page each member gets with their membership, the Pigeon Lake Regional Chamber of Commerce is pleased to offer an additional opportunity for members to gain exposure for their businesses via the Pigeonlake.com website. These banners are rotated on the site on the high traffic pages ie: Home Page, Campgrounds etc. They are made clickable to the members web page. Links to members own websites are also found on the members web page as well as their contact & E-mail info.

Members can purchase a "Banner Ad" (550 pxl x 110 pxl) for \$50.00 per year. First time advertisers or current advertisers who want changes made will be charged a \$15.00 design & set up fee. Once the banner is created the charge to remain active is only \$50.00 per year. If you want to use your own website header, please indicate below.

To apply for a banner ad simply send payment to Darlene at the Chamber Office and complete the following information. Please remember that the purpose of the banner is to attract attention so viewers will click on it for more information so be creative and keep it simple! See sample banner below. E-mail logos to info@pigeonlake.com.

Business Name: _____

Slogan or Tag Line:(what you want your banner to say)_____

Color: (What color do you want your banner to be?)_____

Your Website URL(if you have one) _____
